ONE-WAY TICKET TO BLISS

Safari *but not as you know it!*

FANCY A HONEYMOON UNDER THE STARS but want an upgrade on the simple tent? Well, Vamizi Island, Mozambique's ultimate beach paradise resort, has launched a dhow service, which allows guests staying on the island to hire the beautifully restored, fully staffed, Arab trading vessel, Tusitiri (pictured). Choose anything from a romantic day trip, to an extended cruise for two around 32 of the east African coastline's most stunning islands. You can expect to see breathtaking sea-life: from whales and dolphins to shoals of tuna, barracuda and reef sharks. This is home to some of the best and undeveloped dive sites in the world. Snorkel the unbleached coral reefs by day and pull into one of the hidden bays at night for freshly prepared food and cocktails by moonlight. Stays on Vamizi Island from £375 per person per night, based on two sharing. Trips on Tusitiri from £225 per couple for dinner and cocktails*. Visit vamizi.com for more details.
