The luggage restriction is 15kgs per person & luggage must be packed in soft bags. Any luggage above this limit may be left behind & will be transferred by alternative means if possible.

CARBON OFFSETTING

We recommend a contribution of \$15 per person to Climate Care to reduce the environmental impact of aviation transfers to & from Vamizi. This amount will be included on the invoice. For further information please visit our website www.vamizi.com

VISAS

Visas are required for most foreign nationals visiting Mozambique. Even though for some nationalities they can be obtained upon arrival, we recommend guests arrive already with a visa. We highly recommend you contact the Mozambican Embassy in your country for the latest information and updates. Full tourist visas are required for Tanzania for those passengers who spend more than 24 hours there - otherwise it is possible to get a transit visa - or if connecting to/from an international flight without leaving the airport a visa is not required. We recommend you contact the Tanzanian Embassy in your country for the latest information and updates.

TIME ZONE

There is a one hour time difference between Tanzania (GMT +3) and Mozambique (GMT +2). All arrival and departure times are stated as 'local' times.

All Dar flights, both inbound and outbound, will land in Mocimboa da Praia on the mainland to clear customs and immigration. This has been accounted for in the scheduled timings.
